In the twenty years of its existence Thomas Jefferson High School has steadily progressed. With each tick of the clock, during these years, something has been experienced or accomplished. Each minute represents an achievement, whether large or small, which has brought pleasure to someone. In these two decades of hard work our school has become one of which we may well be proud. Our newspaper, football team, orchestra, yearbook, band, and choir is each outstanding in its own field. Our faculty is excellent and many of our students, after graduation, have made names for themselves and bestowed honor on their Alma Mater. • As we look at the progress recorded on the clock we are conscious of all that has been done, and we sincerely hope that as time marches on the classes of the future will be even more outstanding.

And now we are twenty!

3:15 — School is Out — 1930

On a warm September day in 1929 the cornerstone of Thomas Jefferson High School was laid. The school was opened to students the following September. Since then twenty years have passed and with them many changes have taken place.

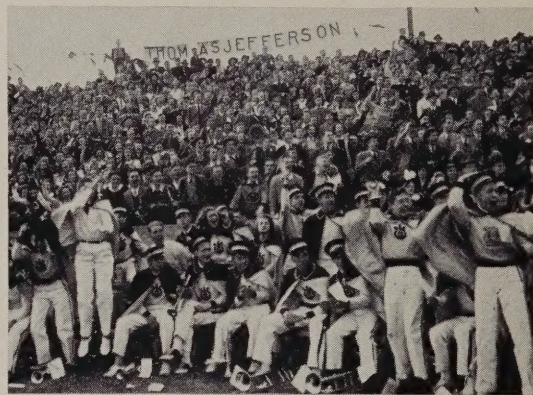

Imagine Tee Jay with thirty-one teachers, without a cadet corps, without an orchestra or band, without a newspaper, annual or magazine, without the Honor Society or the Quill and Scroll, without football, baseball, basketball, or track teams, without its radio system, and even without the Student Participation Association. It's hard to believe and yet that was the way Tee Jay was in 1930.

Our faculty — At the end of its first hard year

All these things which we take so much for granted today are the result of much work and planning.

The big red football team was the first to appear. In its initial year it played only two games. Although it lost them both, the team gained a lot of experience. In November, 1934, we enjoyed our first triumph. We held the Justices to a 0-0 hold. In 1935 we again tied John Marshall with a 6-6 score. That year we won the city championship. It was not, however, until 1937 that we came out of the Tee Jay-Jay Em tilt victorious. It was a

Come — on — Tee Jay

thrilling occasion when we defeated our cross town rivals for the first time.

Our basketball team did still better, winning seven out of fifteen games in its first year of existence. In 1934 Tee Jay captured the city championship and in 1938 we were the Central District Basketball Champions.

Our baseball team had only one pitcher in its first year and we didn't have a track team until 1936.

It was not long before the school realized the need for a newspaper. Thus the *Jeffersonian* was first published. Four hundred sixty-eight students bought it. In order to increase subscriptions the next year, the staff opened the drive by giving an amusing assembly program. It really helped. In 1935 the *Jeffersonian* received the National Scholastic Press Association's highest rating. Since then it has received many other honors.

Soon after our first newspaper was published, the senior class decided that it wanted a yearbook. The school was against it, but finally grudgingly gave one hundred dollars for this purpose. The book was not large or elaborate, but it pleased the seniors. However, it improved each year, and in 1938 the *Monticello* won the Southern Interscholastic Press Association's Class A trophy.

The Band was smaller then

What is a school without music? The students thought "not much"; and so the Tee Jay Orchestra was organized. It made its debut in an assembly by playing some popular songs of that time. In the beginning it had only twelve members.

About a year later the Band was organized with twenty-five members. It chose Miss Eunice Gill as its sponsor. In 1935 the Band, Orchestra, and choirs gave their first annual concert. Later in that year the Band was very

proud to receive scarlet and white uniforms. At that time its membership included girls.

In 1934 the administration decided to give the students a chance for self government. Thus

Mr. Shawen's Picture for The First Monticello

Student Participation was begun. It started with the cafeteria committee and the honor studies.

In 1936 Tee Jay formed its chapters of the Quill and Scroll and the National Honor Society.

In 1939 Tee Jay planned its two-way radio system. Later that year the first issue of the *Declaration* appeared.

All these things were accomplished under the guidance of our first principal, Mr. Ernest Shawen. In 1942 Mr. C. C. Hancock took over this position.

Tee Jay played its part in World War II. During those years by the sale of war stamps

Tee Jay's Part in the War

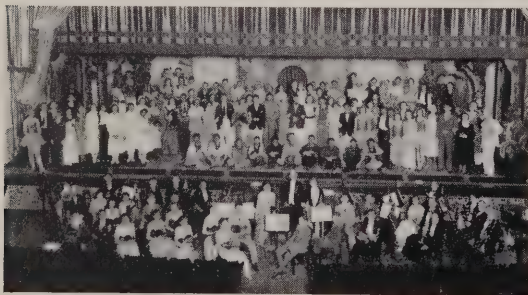

All This and a May Queen too!

and bonds, many jeeps and trucks were bought and sent to the front.

It was not until 1942, however, that the Tee Jay Cadet Corps was organized. It was brought up several times in the preceding years, but the administration turned it down every time.

You may wonder just what Tee Jayites did when so few of the things that we are now familiar with existed. Well, things were different then.

The clubs were mostly social and resembled sororities and fraternities. The girls' clubs had such names as "Minx" and "Polka Dots." Imagine, they had boys as mascots.

One of Tee Jay's Operettas

Each year there was a May Day program with a queen and a maypole.

In fact, there was much more entertainment. Plays were always being given by the Dramatics Club, French classes, Spanish classes, and the faculty. Each year Tee Jay presented an operetta besides Junior Stunt Night and the Senior Class Play. There were also art exhibits and dance demonstrations. Twenty-five cents made you a member of the Athletic Association and enabled you to get tickets at reduced rates for all the games.

They, too, had a "who's who," but theirs included such things as biggest heartbreaker, biggest nuisance, laziest, and biggest bluffer.

History repeats itself, though; for instance, not only this year's Senior Class Play, "The

Eleven New Diplomas — First Graduating Class

Scarecrow Creeps," but also last year's, "The Importance of Being Earnest," were given in the '30's.

Remember though that all these changes did not just happen. The senior class of 1932 had a long struggle in order to put out a yearbook, and there was a great deal of fighting in order to publish the *Declaration*. Ten years passed between the time the cadet corps was first suggested and the date it was realized.

Yes, times have changed since the days of five-cent lunches and graduating classes with eleven people.

Clubs

THE THOMAS JEFFERSON HIGH SCHOOL - 1950

The Board of Coordination

Before school opens each semester the Board of Coordination begins to schedule dates for dances, plays, games, and meetings of clubs and organizations. The B.O.C., as it is popularly called, was organized in 1942 to coordinate the extracurricular activities of the school into a smoothly running program. Miss Lila Crenshaw was the first sponsor, and Miss Esther Singleton has served as sponsor since 1944. The Board is composed of the sponsor and officers of the Student Participation Association, the sponsor of the House of Representatives, the faculty chairman of the Assembly Committee, sponsors and presidents of the class organizations, and representatives of the publications and other organizations who work together for the good of the whole school. In addition to drawing up the calendar of events, the Board fosters new organizations and assists with drives and campaigns. This year it gave valuable assistance in organizing the Leadership Institute conducted by the City Federation of Student Councils.

The Senate

Thomas Jefferson's student association, which was founded in 1934, is based on democratic principles and representative government. This association was organized at the suggestion of an interested student group. Miss Harriet Snow was the first sponsor. Mr. Ernest Shawen, the school principal at this time, gave his whole-hearted support to the venture. The succeeding sponsors, Misses Henna, Crenshaw, Singleton, and Smethie, together with the students, have endeavored to uphold the ideals of those far-

sighted pupils who so well laid the foundation for the association. The Senate members are nominated by the students. From these names, a slate is drawn up by a student-faculty nominating committee, and election is by secret ballot. Regular business meetings are held each Tuesday during period 3 in 408. In these meetings the problems of the school are discussed from the students' point of view, and recommendations are referred to the proper authorities. Under the Senate's direction are various school committees with Senators serving as chairmen. These committees give the student a chance to do his part in furthering the growth of the school. Senators often attend state, district, and city conventions where they exchange ideas with students from other schools. The Senate endeavors to coordinate the student body and the administration.

THE SENATE AT WORK

The House of Representatives

It is 3:20 and all is quiet in 218. The vice-president of the Student Participation Association, who presides over the House of Representatives, has just opened another meeting. The members, representing each home room in the school, begin writing down notes, which they will take to their respective rooms. They have brought suggestions also from their home rooms for the House to discuss and consider. Every year a House member

The House of Representatives

is chosen to attend the meetings of the City Federation, and to come back and report items of news which will be of interest to the school as a whole. In accordance with suggestions received, the House, sponsored by Miss Nancy Gary, has helped to increase the amount of participation in school activities, and to make each student conscious of his part in the organization. It has also helped to bring about the sale of school tickets to raise funds for the S. P.

Council of Home Room Presidents

Three years ago, the S. P. called the home room presidents together, chiefly to acquaint the individual students with the affairs of their association. Through this group, we presented a summary of the requests sent to the Senate and the accomplishments of the Student Association. In addition, we published the financial statement of the association. These two ventures are now a custom. The value of organizing this group was so apparent that it was made a standing committee. Every second Tuesday the presidents of all the home rooms of Thomas Jefferson meet to discuss common problems. Movies are shown on leadership, and parliamentary procedure is discussed. In this way, we hope to prepare the home room presidents to help the students to become better citizens of our school. Last year, the Council discussed the desirable qualifications of the nominees for student association officers. This year, the home room presidents hope to study the subject more thoroughly. Although this group has no executive or law-making powers, it is proving to be a great unifying force in the school.

The Character Committee

Five years ago the students felt that a definite program should be launched to stress honesty, courtesy, and self-control; and so, the Character Committee was formed. It is composed of a member from each home room. This group elects a steering committee which consolidates the plans and ideas for home room programs. The character representative presents the program planned by the committee to his home room. In this way each student is thinking and participating in a certain project at the same time. The aim of the committee this year is to promote friendliness among the students. The Senate chairman presides over the committee meetings and over the steering committee as well. The faculty sponsor is Miss Eunice Gill.

The Honor Study Chairmen

One of the most interesting and successful features of Student Participation at Thomas Jefferson is the Honor Study Halls. Students volunteer for these studies. They sign a pledge to report promptly, to refrain from speaking, and to respect the privileges allowed them. Each group selects two chairmen who preside alternate weeks. These chairmen keep the roll and sign permits to report to other teachers or to the library. Should there be an infraction of the honor study rules, the chairman must report this to the faculty sponsor, Mrs. Corprew. The Senate chairman administers the oath of office to the Honor Study Chairmen, calls them together for meetings, and assists the sponsor in grading and assigning activity points for the services rendered. Studying under self-supervision promotes honesty, courtesy, and self-control.

The Laboratory Assistants

The laboratory assistants serve both the school and the teachers of the science department by looking after the various pieces of equipment, operating the motion picture projector, and running errands. Under the supervision of Mrs. Ruth Paul Browning, the biology lab assistants tend the prepared specimens, demonstration mounts, and charts. The chemistry lab assistants, directed by Miss Helen R. Gill, prepare the chemicals and apparatus used in the department. These assistants are chosen from the science and chemistry classes by their instructors and must be willing to devote one full study period each day to the work.

The Audio-Visual Committee

The Audio-Visual Committee was first started under the direction of Mr. Roy Puckett in 1946. At that time there were six boys acting as operators with six sixteen-millimeter movie projectors. • The following year Mr. George Butler became director and the work was coordinated with the Audio-Visual program of the City of Richmond, and also with the Bureau of Teaching Materials of the State of Virginia. • The teachers have been calling for more and more audio-visual aids in the classroom until at the present time the committee has grown to nineteen members. Theoretically, every classroom is an audio-visual room and at times there are as many as five different motion pictures being shown at the same period in this building. • In addition to operating motion pictures the operators show strip films and operate wire recorders and phonographs. • The purpose of the committee is to aid the teacher in showing good educational films.

The Traffic Committee

The Traffic Committee, sponsored by Mr. Anthony, is one of the most important in the school, mainly because it helps to prevent accidents and to keep order in the halls. The members, sixty in number, are divided into two shifts, alternating by weeks. Each shift is divided into six groups, two for each floor, each of these groups having a rover whose job it is to see that the boys report for duty. Each boy on the committee is assigned a definite post to which he goes three minutes before the bell rings. His duties are to keep pupils on the right side of the hall, and to prevent running and unnecessary noise.

The Library Staff

The Library Staff meets every first and third Friday at the home room period. Its members are those who assist behind the desk in the library. They shelve books, check books in and out, and mark passes with the correct time. Also they write up fines, file cards, and attend to numerous other duties. At the meetings the staff members discuss methods of improving the system they use and procedure in the library. The Library Staff has some activities of its own. There is a picnic or party near the end of each year at which everyone has a good time. The staff has helped the Tee Jay Library for a long time and prides itself on its good record for honesty and helpfulness.

The Library Committee

Although we have two full time librarians in our school, they welcome the assistance of students. The members of the Library Committee check the time on the passes and keep the library orderly. The Senate chairman notifies the students of their duty assignments and tries at all times to keep the committees fully staffed. Here, again, a pupil, while serving her school, has an opportunity to gain experience in a field of work which may become her vocation.

Reception Desk Committee

Some years ago, Miss Snow visited a large northern school, and was so impressed with the gracious hospitality shown her by a student receptionist that she suggested a similar plan be adopted by Thomas Jefferson. Her suggestion was accepted, and the class of 1936, sponsored by Miss Bryant, gave the school the lovely desk and chair which we now use. This is a very popular committee, and the Senate chairman always has more volunteers than can be used. The receptionist must be alert, gracious, and tactful. Boys as well as girls serve on this committee. When a visitor enters the building, the receptionist immediately welcomes him. So helpful was this project that it was soon made a standing S. P. committee.

Guidance Aid Committee

The Guidance Aid Committee was started about 1936. It was formed to help the counselors in the Guidance Office, but was not sponsored by the Student Participation until several years later. The office then consisted of a small room, a chair with one arm, and a bookcase of catalogs. The Guidance Department has grown in size until now it has four counselors working full time. Its purpose is to serve all the students of the school. There are two students on duty each period to assist with the clerical work of the department.

- While this committee serves the school, its members likewise gain practical and valuable training in office routine.

Auxiliary Aid Committee

The Auxiliary Aid Committee which was formed last year has several divisions; namely, the Milk Bar, School Ticket Sellers, Recess Hall Monitors, and those who check to see if substitutes are needed at any of the duty posts. This system of supplying substitutes has proved to be very efficient. The substitutes, of course, swing into action on short notice. Pupils serving here never become bored, for they are at one post today and at another tomorrow.

The Office Aid Committee

Members of the Office Aid Committee really get around the school. The pupils take messages from the office to the faculty, guide visitors around the building, obtain information referring to the pupil's schedule file, and assist the school secretaries in various ways. The Senate chairman notifies the group when to report for duty, and sees that two people serve each period of the day. By alternating shifts forty-two pupils are given the opportunity of working in our business office.

The Usher Committee

The Usher Committee is one of the oldest in the school. Through the years its usefulness has increased. This committee, consisting of twenty-two boys, eleven on each of the two shifts, makes a real contribution to the assembly programs. The ushers distribute programs, help keep order, and prevent late comers from entering the auditorium. When civic and educational programs are scheduled at Thomas Jefferson, these boys are asked to volunteer to serve. Mr. George Butler, the faculty sponsor, encourages the boys in their efforts to serve the school efficiently.

The Eraser Committee

This committee helps a big school to run more smoothly with a minimum of effort. At period one, on each Monday, Thursday, and Friday, dusty erasers are removed from the class rooms and returned fresh and clean before the period has ended. The custodian cleans the erasers by means of a vacuum. Mrs. Womack, the faculty sponsor, and the Senate chairman see that the boys are notified when to report for duty. The boys learn to be swift and accurate, for each room must receive the exact number of erasers that were taken from it.

First Row: Joan Carneal, Sue Chamblee, Nancy Earley, Dale Harman. Second Row: Margie Norwood, Sue Smith, Barbara Vandenburg, Mary Lou Wise.

The Daily Report and Absentee Sheet Committees

The work of the Daily Report and Absentee Sheet Committees dovetails. At period one, members of the Daily Report Committee collect the reports from each room and take them to the office. Here, they are consolidated and mimeographed. At period three, members of the Absentee Sheet Committee distribute the list of absent pupils to each faculty member. Pupils selected for this committee must be prompt, alert, courteous, and tactful. • It is the responsibility of the Senate chairman to see that the members report for duty.

The Bulletin Board Committee

Early every morning the Bulletin Board Committee goes into action. • First, the group meets in 408 bringing newspaper clippings and posters. This is a central committee serving all departments of the school. The boards must be kept attractive and up-to-date. It is the duty of the committee to see that only school activities are displayed on the boards. The committee also makes posters and signs. • The Senate chairman notifies the members of their duty and distributes the work.

The Messenger Committee

A dependable Messenger Committee is a "must" if S. P. is to function smoothly. The pupils are the postmen of the school. Each morning at 8:30 they report to 408, and even then they must move swiftly in order to deliver the notices and bulletins to the fifty-nine home rooms. The pupils are on duty every third week. The Senate chairman, however, is on duty each morning at 8:30. The S. P. Sponsor considers this a most important committee.

The Nurse's Aid Committee

The Nurse's Aid is one of the oldest committees of the S. P. This committee furnishes a secretary for the nurse every period of the day. The workers are divided into three shifts. They run errands, deliver notices, and assist in keeping health records of the students at Thomas Jefferson. Any girl who is interested in the nursing profession has an opportunity to associate with a registered nurse and may gain much information about the field in this way.

The Club Affiliations Committee

The Club Affiliations Committee, which is composed of a representative from each club in the school, assists in the organizing of new clubs, attempts to increase membership and interest in lesser clubs, and exchanges constructive ideas in answer to problems of them all. Its regular meeting takes place in home room period on the first Friday in each month. Miss Marion Smethie serves as sponsor of the committee. The Senate chairman presents the clubs' interests to the Board of Coordination.

The National Honor Society

The Thomas Jefferson chapter of the National Honor Society was founded in 1935 under the sponsorship of Miss Ida Mae Butcher of the English department. In the fourteen years, during which it has become an integral part of the life of the school, it has elected six hundred and three students, and two faculty members into its membership. The first ceremony of initiation was conducted by several members of the faculty, who were members of the national collegiate fraternities, Phi Beta Kappa, Omicron Delta Kappa, and Mortar Board. • Many of the past members of the organization have brought honor to the school through the contributions they have made to society. Some have made a name for themselves in the professions of medicine, law, journalism, and the ministry. Others have taken the lead in the business life of their communities. Some few have gained a reputation as authors, and some have made the supreme sacrifice and given their lives for their country. In truth, it can be said that they have fulfilled the pledge of the society, and made its ideals, the ideals of their lives.

The Quill and Scroll

In 1926 an international honor society for high school journalists was founded and called the Quill and Scroll. • The Thomas Jefferson chapter of this organization which meets on the second Wednesday of every month in room 113 is sponsored by Miss Frances Gray and Miss Mary Maddox. Its aims are those set forth in the candlelight ceremony: "Truth, Loyalty, Enlightenment, Opportunity, Initiative, Leadership, and Friendship."

• To become a member the student must be on a school publication, have a B plus average, and be recommended by the head of the publication.

The Declaration Staff

"The Declaration," Tee Jay's literary magazine, had been produced heretofore by the members of the creative writing class. This year, however, no such class has been organized. Manuscripts of stories, poems, and essays have been solicited from the school at large. These have been edited and organized by members of the staff under the supervision of Miss Esther Singleton. The business matters are directed by Miss Nancy Gary. The purpose of this magazine is to present to the students of Tee Jay the literary accomplishments of the school.

Two separate groups form the Business Staff of "The Jeffersonian," Circulation and Advertising. Under the supervision of Miss Thelma Bryant ninety-six students work together to promote the business end of the paper. The Circulation Staff is divided

into three groups: fifteen captains, fifty-eight home room lieutenants, and managers. There are three Circulation Managers, two Assistant Circulation Managers, and a Promotion Manager. This staff handles all duties pertaining to subscriptions. Each home room has a lieutenant representative, as does each cadet company. The cadets buy their papers through the corps, and the first lieutenant of each company is its representative on the staff. Each cadet is given a receipt when he subscribes; this receipt is turned over to his home room lieutenant, who can then determine the percentage of subscribers in the room. The first home room to have 100% subscriptions is awarded a trophy which was presented to the staff last year by Miss Muriel Sanders, former Business Adviser. The lieutenants collect money from the members of their rooms every week. The captains each have charge of four home rooms and make their collections from the lieutenants in home room period on Tuesdays and on the Fridays that the paper is not published. At the beginning of each semester the Circulation Staff promotes a

drive for term subscriptions of seven issues for sixty cents. The Circulation Managers attend to the promotion of sales and collections in the school. On every publication day one member of the staff is in the staff room, 332, at the close of school to sell extra copies of the paper. This staff also handles the mailing list for alumni subscriptions and sends copies of each issue to advertisers, business men, and schools on our exchange list. This year one hundred copies of each issue of "The Jeffersonian" have been sent to schools overseas through the Red Cross. • The duties of the Advertising Staff are to obtain advertisements from prospective advertisers in Richmond, draw up new copy, and make up the layout of the dummy for each issue. In 1947 and 1948 "The Jeffersonian" Advertising Staff was awarded a plaque for outstanding work by Vincent Edward and Company, the world's largest advertising service organization, in a contest sponsored by the Columbia Scholastic Press Association. The staff was approved by the Retail Merchants' Association in 1947; this has enabled the staff to secure advertisements from Richmond's leading stores. • For the first time in a number of years "The Scholastic Roto," an eight-page picture section, now appears in a copy of "The Jeffersonian" once a month.

The Jeffersonian Literary Staff

In its nineteenth year the Jeffersonian continues to serve its school by covering events of interest and importance to the students. • The news department has turned more to the coverage of events outside of school life which have an appeal to student interest. • Informative features have also been emphasized, and people interested in school affairs have been invited to write guest editorials. • The sports department has a policy perhaps quite different from other newspapers. Instead of the standard sports column being written by one particular person, each of the sports' editors is given an opportunity to write this column. Also indispensable in the publication of this bi-weekly news-

paper are the typists and photographers. • In former years students interested in becoming members of the Jeffersonian staff have been required to take a course in journalism along with their low junior English. This year, however, a different procedure has been carried out since students eligible to take journalism plan to attend high school for four years instead of three. Upon becoming sophomores these students enrolled in the regular course of English grammar and journalism. At the close of the first semester they became members of the Jeffersonian staff, but at the same time they continued to study journalism in connection with English literature. • Members of the staff devote much time to writing and editing this paper, but in return for their hard work they produce a newspaper worthy of top honors in the three press associations to which it belongs.

The Monticello Business Staff

On Friday during the fourth period members of the business staff hold their weekly meeting in 107. • The staff consists of members of the freshman, sophomore, junior, and senior classes under the guidance of Miss Frances Gray. Its purpose is to manage the financial details connected with the production of the annual, including the selling of ads and annuals and the taking of pictures for various sections of the yearbook. • Each spring new members are chosen and invited to attend the banquet at which appointments for the next year are announced.

The Monticello Literary Staff

One of Tee Jay's great achievements in the twenty years of its existence is the production of a yearbook of which we are very proud. "The Monticello" has changed considerably since its beginning way back in 1932. Since then it has become a beautiful book receiving each year high awards or ratings from various press associations. • Each member of the literary staff works on one section such as class, club, military, features, or athletics. Every Monday a meeting of the entire staff is held, at which time such problems as the theme, color, and opening section are discussed. Jobs which are varied and numerous include collecting the proper information from clubs, identifying pictures, and planning pages. • Through pictures of dances, football, games, pep rallies, assemblies, and plays as well as students, the Monticello gives a real picture of a school year at Tee Jay.

The Junior Red Cross

This term money for all Junior Red Cross purposes was collected during a single campaign. • Every home room is represented by a student who carries to and from the meetings the ideas and accomplishments of the council and the home rooms. Under the sponsorship of Miss Lyndele A. Pitt, numerous activities, including the sending overseas of one hundred copies of each issue of the "Jeffersonian," have been continued. This year for the first time copies of the "Monticello" will be sent to foreign countries. The Junior Red Cross assemblies, which were held during the drive, were based on a tableau written by Miss Ann Wood, Director of the Junior Red Cross in Richmond. The participants in these presentations were chosen from several school organizations that have been most generous in the giving of their time, talent, and money to the Junior Red Cross.

The Key Club

The Key Club, sponsored by the Richmond Kiwanis Club, is composed of thirty boys selected by the club from nominations submitted by the Senior, Junior, and Sophomore classes under the requirements of high scholastic standing, leadership ability, and outstanding character. In its third year in Thomas Jefferson, the club has followed the objects of the Key Club International, which are to develop initiative and leadership, to provide experience in living and working together, to serve the school, and to prepare for useful citizenship in the community. Following these objects and its motto, "We build, too," the Key Club undertakes each year as one of its projects, the maintaining of order in the "Rec" hall at recess.

The A Capella Choir

The A Capella Choir of seventy voices is our most advanced singing group. Only those who have proved their ability in other groups are invited to become members. The Choir again gave two programs at McGuire Hospital, at Christmas and in the spring, sang on the Key Club program at the Kiwanis Club, assisted in the usual assembly programs, and gave an operetta instead of the annual spring concert. At the District Music Festival the choir again received most complimentary comments from the judges. • The officers which directed the activities for the season were as follows: Melton Ashworth, President; Everett Hobson, Vice-President; Janet Shriner, Secretary-Treasurer; Beverly West and LaGrand Smith, Librarians; and Anne Kluttz, the official accompanist.

The Girls' Glee Club

This year the Girls' Glee Club of eighty voices was the largest in its history. For many years it has been an active singing group, performing both for school assemblies and out of school activities. It assisted again this year in the music for the Christmas pageant. The club is self-governing and functioned smoothly many times in the absence of the director. The officers were as follows: Judy Moore, President; Mary Dabney Langhorne, Vice-President; Nancy Bevins, Secretary-Treasurer; and Pat White, Librarian. The following section leaders assisted Mr. Howell in the preparation of music: Emmy Dee Crawford, First Soprano; Carolyn Towler, Second Soprano; and Pat White, Alto. Opportunity to perform individually and in small groups on the Friday programs continues to be a most enjoyable part of the glee club work. The club keeps up with all local concerts and many attend the concerts of the Richmond Symphony as well as the artist concerts.

The Mixed Glee Club

The Mixed Glee Club, a group of about seventy-five boys and girls who are studying voice and enjoy singing, meets every day during the third period under the capable leadership of Mr. Alton T. Howell. The group has assisted with the Thanksgiving and Christmas programs. This vocal group was organized in 1933 by Mrs. Christine King. • This group sings both musical comedy and sacred music. Most of the students enjoy both kinds equally well. On Friday the Vice-President of the class takes charge and is the master of ceremonies, while the students participate in a program of popular music. Everyone in the class enjoys Friday because the individual has a chance to take part in the program and display his talents.

The Boys' Glee Club

The Boys' Glee Club of forty voices was reorganized this year under the directorship of Mr. Alton Howell. Because of a shortage of voices in some sections, the club confined its appearances to singing in combined groups. Many of the boys developed into ensemble and solo singers through the programs given weekly. The following officers were elected for the year: Joe Mains, President; Stuart Sorg, Vice-President; Russell Winn, Secretary-Treasurer; Willard Coleman and Floyd Fowlkes, Librarians.

The Orchestra

The Thomas Jefferson orchestra, under the direction of Frank Wendt, participates in numerous activities during the school year. It has taken part in community programs as well as school assemblies. • There is an annual spring concert given by the music department in which the band, the orchestra, and the chorus participate. • For the past two years our orchestra has been awarded the Stettinius plaque for superior performance in the Virginia State Music Festival at Charlottesville.

The Forum

Promoting better citizenship and understanding of current events has been the aim of the Forum this year. The club held panel discussions on "The Possibilities of a War with Russia" and "The Atomic Bomb," and also saw a movie on the Reconstruction of Italy. There was a contest on outstanding current event cartoons and one on historic places in Virginia. • During the Christmas holidays members canvassed their neighborhoods and distributed circulars containing information on re-registering. The Forum presented a panel debate on April 26 and 27 in the assembly with the audience participating. • This group, which meets on the first and third Wednesdays of every month, is sponsored by Miss LaRue Brandenburg and Mr. Clyde B. Fortna.

First Row: David Currie, Rose Marie Verlander, Anne Wilson, Marjorie Fratkin, Betty Jane Hall, Kay McCormick, Helen Stone, Guylene Wysong. The Hi-Y Chapter 1

With Mr. Woody as faculty adviser and Pat Fowler as Y.M.C.A. counselor, the members of the Hi-Y have endeavored to fulfill the Hi-Y pledge, which is "To create, maintain, and extend throughout the school and community, high standards of Christian character." The entire club served on the cafeteria committee and helped in programs to make T. J. a cleaner, better school for the students to attend. The Hi-Y sold programs at the home football games to raise money for such charities as World Service, the Red Cross, the Community Fund, and the Christmas Mother and socials. The club also held outings and social events throughout the school year. At the various Hi-Y conferences in Virginia and the South, Chapter 1 was well represented, and Floyd Tyson, fall term president, served as President of the Southern Area and was elected Vice-President of the National Hi-Y Conference.

The Hi-Y Chapter 2

The chief objectives of Hi-Y Chapter II are set forth in its pledge: "To create, maintain, and extend throughout the school and community high standards of Christian character," and its motto: "Character through Service." The club promotes these ideals by contributing to various charitable organizations, by serving on the cafeteria committee, and by giving assemblies for the betterment of the school. Sponsored by the Central Y.M.C.A. and Mr. Woody, the faculty adviser, the club backed the annual Tee Jay-Jay Em Pep Rally.

The Thomas Jefferson Book Club

It is Tuesday afternoon, and two Indians are silently peering into Room 206! Do not be alarmed. They are only characters in a play which is to be the program for the Book Club today. For some of our other programs, we have guest speakers and book reviews. The purpose of this club, which is sponsored by Miss Esther Singleton, is to interest its members in good books. This year, as a project, the club arranged an exhibit for the display case outside the library with childhood books and figures to represent the characters in the books. Those who are interested in literature and are approved by the members meet on the third Tuesday in each month in Room 206.

The Y-Teens, Triangle 1

The Y-Teens are members of a world-wide movement of the Young Women's Christian Association which is dedicated to bringing about true understanding and fellowship with a Christian spirit toward everyone. • The Y-Teens were organized at Tee Jay in 1947. In previous years there were similar groups called Girl Reserves. • Tee Jay's Triangle 1 meets after school every other Wednesday, under the sponsorship of Miss Grace Rowe, to discuss other people and races, and to enjoy informative and humorous programs. This group of girls also takes an active part in school life, performing monitorial duty in the cafeteria and sponsoring better conditions in the girls' rest rooms,

The Y-Teens, Triangle 2

The Thomas Jefferson Y-Teens Triangle II, sponsored by the Young Women's Christian Association, a world-wide organization, is composed of a group of girls who try to uphold the principles of understanding and brotherhood among fellow Y-Teens. • Miss Elizabeth Conwell of the Central Y.W.C.A. is the adviser to the club, and Miss Laura Humphries is the sponsor. Meetings are held on the second and fourth Tuesdays of each month to plan projects, discuss important problems, and entertain speakers. Triangle II is responsible for the improvement of girls' rest rooms and recreation hall duty.

Fourth Row: Anne Hill, Sally Miller, Theresa Massad, Elizabeth Butler, Patsy Crawford, Marty Moorefield, Whilden Branch.

Y-Teens, Triangle 2

Y-Teens Triangle II is proud of its membership and accomplishments this year. During the fall the outstanding features were a Sadie Hawkins Day hop and a mitten sale. In the spring a potato chip sale helped earn money to send delegates to camp in North Carolina with Y-Teens from four other states. Representatives also attended a conference in Washington to gain new ideas for improving the club next year. To end the year the club held a swimming party. The officers for this year were Jane Gill, president; Carter Smith, vice-president; Jean Coghill, secretary, and Ann Stuart Hartz, treasurer.

The Commercial Club

The purposes of the Commercial Club are to acquaint its members with the outside business world and to insure their progress in prospective commercial work. Meetings providing both business and social activities are held on the second and fourth Fridays of every month. The programs include speeches by well-known business leaders and visits to outstanding business concerns. Miss Helen Botto is the sponsor of this organization.

The Junior Classical League

"Intellectum meliorem inter studiosos Latinae et magistra suos habere" is the goal of the Junior Classical League. • At the first meeting in September June Hodges was elected consul; Faye Plunkett, pro-consul; Mary Ellen Bliley, scriba; Anne Carol Yeaman, quaestor. • The insignia of the League is a scroll on which is written, "Scientia est Potentia," Knowledge is Power. The colors are purple and gold. • Each monthly meeting has been a correlation of Latin and English with emphasis on fellowship between the students. A treasure hunt, bingo party, visit to Valentine Museum and several Friday evening parties in the homes of club members have been enjoyed by the club.

The Latin Club

Anyone passing room 107 on a Monday morning would be astounded at the odd noises issuing from under the door. To a Latin 5 or 6 student, it would mean the Latin Club was having its bi-weekly meeting again. These wise scholars, members of "Cicero's Forum," which, incidentally, is the name of the Latin Club, are participating in the strange and interesting games prepared by the great organizer Beverley French, pro-consul. Sponsored by Miss Gray, their moderator, and presided over by their beloved consul, Phyllis Tribble, a great orator and leader, the scholars have found their meetings a combination of work and inspiration.

First Row: Beverley French, Phyllis Tribble, Agnes Rennie. Second Row: Jane Nolde, Margaret Persinger, Lou Moss, Jean Tiller, Eva Nagler, Nancy Pope. Third Row: Miss Gray, Sponsor, Ann Cohen, Clyde Tipton.

The Cadet Glee Club

Now only a year and a half old, the Cadet Glee Club is composed of forty-four voices. Although they still meet only during home room period, the Glee Club has prepared a fine selection of spirited music. • Under the direction of Mr. Alton Howell, and in collaboration with the Band, the Glee Club participated in the all-Cadet assembly this year. • As time goes on, the Glee Club hopes to be of more service to the school, and to travel to the junior high schools in order to recruit new cadets.

Jeffersonians! Jeffersonians!

Spurred on by the familiar strains of "Jeffersonian," this year's peppy cheerleaders, headed by Lou Moss and Jimmy Leach, led Tee Jay rooters through yell after yell during successful football and basketball seasons. Because of their enthusiasm the spirited group kept the students cheering, and offered their encouragement even in the darkest minutes of play. Traveling to Roanoke and cheering in a sea of mud and downpour of rain proved to be an exciting and unforgettable experience. This year for the first time, the cheerleaders rode to Alexandria on the bus with the football team. Decorating the stadium for the "big" game with streamers of red and white was lots of fun, as were the pep rallies. This year the cheerleaders were capably guided by Mrs. Phillips and her daughter, Susie, who played the role of a peppy little mascot. Next year Ruth Ann Gee and Billy Nicholls will be on hand to lead more spirited yells and songs when once again the "Big Red Team" goes down that field.

Tee Jay Dominates All-City Selections; Presidents Post 5-3-1 Record

The Big Red Team of 1949 produced four All-City players in Co-Captain and Guard Bob Cournow, End Floyd Tyson, Tackle Jim Roberts, and Fullback "Brown" Oliver. Cournow, with his great line play and team spirit, was a mainstay in the big Jeff line. Tyson also gained a first string birth on the All-Southern Team and received honorable mention for All-America and All-State with his stellar defensive end play. Roberts, after conquering an ailing shoulder, proved to be one of the city's finest defensive tackles. Oliver, an outstanding all-around player, led the team from his fullback slot with sensational running and passing abilities.

THOMAS JEFFERSON, 20 **SALEM, 12**

A strong Tee Jay eleven opened its season at the stadium by defeating a fighting Salem squad to the tune of 20 to 12. Ashworth, Tyson, and Co-Captain Wallace sparkled for the victorious Jeffs.

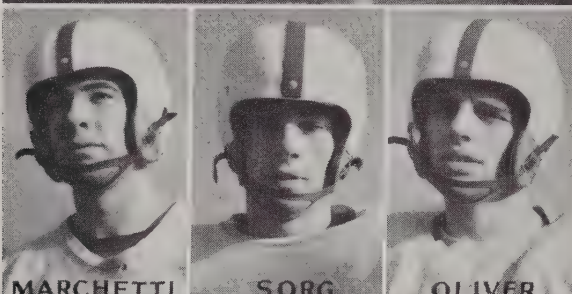

THOMAS JEFFERSON, 7 **PETERSBURG, 7**

Although outplayed the first three periods by a spirited Petersburg eleven, the Presidents came to life in the final period to gain a hard fought 7 to 7 tie. The tally came when Marchetti hit Wallace with a pass in the end zone. Joe Call and the entire forward wall played great defensive ball for the Jeffs.

THOMAS JEFFERSON, 13 **HAMPTON, 6**

Thomas Jefferson played one of its most outstanding games of the season by downing a favored Hampton team at the stadium by the score of 13 to 6. Defensive end play by Tyson and Winn proved to be the deciding factor of the ball game.

THOMAS JEFFERSON, 28 **SAINT CHRISTOPHER'S, 7**

The Jeffs rolled over Saint Christopher with comparative ease as they made their best offensive showing of the year. The running of Myer and the passing of Oliver led the Big Red Team to its 28 to 7 victory.

THOMAS JEFFERSON, 14 **ROANOKE, 7**

Playing in a sea of mud, the Presidents roared from behind in the second half to upset a favored Roanoke team 14 to 7. Oliver scored both touchdowns as he, along with the big Jeff line, paved the way to a well-deserved victory.

THOMAS JEFFERSON, 13 BENEDICTINE, 6

The Big Red scored its fifth victory of the season as they humbled a scrappy Benedictine team. Tyson, Oliver, Roberts, and Co-Captain Cournow shared the honors for the Jeffs in their 13 to 6 triumph.

THOMAS JEFFERSON, 7 JOHN MARSHALL, 15

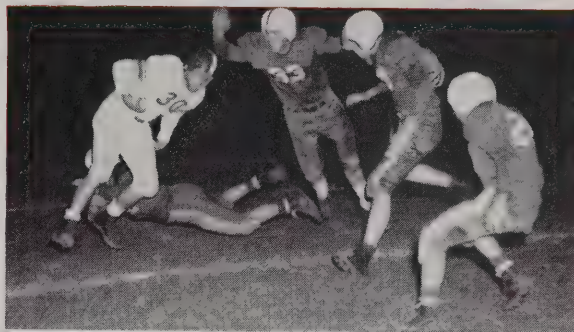

The Presidents finally went down to defeat before the hand of their arch-rival John Marshall 15-7. The Justices completely outplayed the Jeffs. "Brown" Oliver's ninety-yard touchdown run of an intercepted pass was the only bright spot in the Jeff's dismal defeat.

THOMAS JEFFERSON, 0 HOPEWELL, 26

In the season's final the Jeffs were handed a 26 to 0 beating by a far superior Hopewell eleven. The Presidents showed plenty of power and spirit, but the Wonder City team was not to be denied its hard fought victory.

Freshman-Sophomore Eleven Posts 4-2-1

Under Coach Ed Smith's able leadership the Frosh eleven came through with a favorable season. The Baby Jeffs captured the Manchester eleven twice by the scores of 12 to 0 and 20 to 6. They subdued the Chandler Junior High team 24 to 0 and the Rocket eleven 2 to 0. The two defeats of the season, 6 to 26 and 6 to 34, were handed the Frosh by the Hopewell Jayvees. In the season's final, they tied Saint Christopher's 6 to 6.

Field Hockey

Fresh from long after-school practice sessions, the Tee Jay girls opened their hockey season with a 1-0 victory over Collegiate. During the season of six games, the femmes emerged with four victories and two defeats, which were suffered in close, well-played games with their out-of-town rivals, Petersburg and Hopewell. The final game, in which they played Saint Catherine's ended with a well-deserved win for the Tee Jay shincrackers. The girls played hard all season and, with excellent coaching from Miss Edith Todd, were able to defeat some of their toughest foes. At the Virginia All-Prep School Tournament, Thomas Jefferson again emerged victorious over Saint Catherine's. Their fine playing and good sportsmanship was recognized when Co-Captain Anne Klutz and Betty Nuttycombe were named to the All-Prep Team. Selected for the All-Prep Reserves were Co-Captain Katherine Binns, Sue Foley and Juliet Moore. Congratulations are in order to the Reserve Team, which went undefeated in five games.

Track, 1950

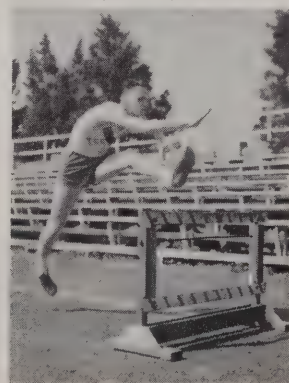

The 1950 Thomas Jefferson track team, under the guidance of Coaches George Gonda and Edward N. Smith, again this year has proved to be one of the state's best track squads. After drubbing Woodberry Forest in a practice indoor meet, the Presidents went on to first place honors in the State Indoor Meet and second place in the Southern Conference Indoor Games. Taking to the outdoors, the Jeffs easily subdued Hopewell and Glen Allen in dual contests. Traveling to Williamsburg, the Red and White squad finished second to John Marshall in the annual Tidewater Meet. The Jeff thinclads also captured a victory from Alexandria. • The squad this year proved to be a well-rounded one with all its strong points in the running and weight events. Outstanding in the dashes and sprints were Norman Plunkett, who lowered the school century mark to 10 flat, and Charles Nuttycombe. Buddy Arnold, Ray Cilimberg, and Roddy Gemmill were the Jeffs' top hurdlers. George Parsons excelled in the 880 and mile while the leading weightmen were Joe Call, Stuart Sorg, and Melton Ashworth, who set a new mark of 139 feet in the discus. • The record

Joe Call, Shot Putter

would not be complete without mentioning the fact that Charles Nuttycombe also broke the school's broadjump record.

Girls' Basketball

FIRST LADIES POST UNDEFEATED SEASON

The long practice sessions which the girls' basketball team underwent before the season proved to be well worth while. Miss Mildred Brame, coach, had many varsity returnees this year on which to build her team. During the season the femmes were undefeated in twelve games. All of these were won by large margins, with the exception of a 31 to 26 victory over the Hopewell team. The Virginia Prep School Basketball Tournament was held this year in the gymnasium at St. Catherine's. The purpose of this post-season tournament is to select the All-Prep Team for the year. In the tournament the First Ladies repeated the success of their regular season by downing Hopewell, Petersburg, and John Marshall. The team is proud of the fact that three of the girls were placed on the All-Prep Team. Angela Triehens, guard, was chosen captain of the team, along with Betty Nuttycombe, forward, and Barbara Griggs, guard. Angela and Betty are repeaters on the team. The reserve girls' basketball squad finished their season with a record of five wins and one loss. Many of these girls will be seeking varsity positions next year.

Jeff Cagers Reach State Play-Offs; Lost Opener to Roanoke 49-29

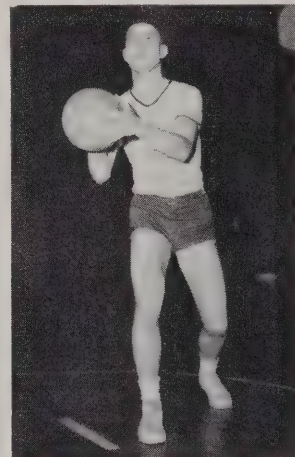

The Thomas Jefferson cagers, who copped both City and Central District Crowns, entered the State Tournament at Norfolk as one of the four favorites; however, the Presidents were downed in their first outing. Tee Jay's cagers drew the "darkhorse,"

Captain Warren Mills

Jefferson of Roanoke, and the Presidents, unable to shoot accurately or get any rebounds, went down to defeat at the hands of the taller Roanoke squad. The only bright spot in this 49-29 defeat was the brilliant floor work of scrappy Warren Mills.

POST 15-4 RECORD. Under the genial head coach, Welton E. "Spud" Bloxsom, the Jeffs had one of the finest seasons in previous years. After dropping the first game to Alexandria, Tee Jay got "hot" and managed to whip the next nine opponents. St. Christopher's snapped the winning streak of the Jeffs at nine, but the Presidents regained their winning ways in the contest against Hampton and went on to take five of the last seven games.

MILLS, DAVIS SELECTED TO ALL-CITY FIVE. Captain Warren Mills and center George Davis captured two of the coveted five positions of the All-City high school quintet. The brilliant floor play of "little" Warren Mills placed his name on the honor team for the second straight season. George Davis was also a cinch for the mythical five because of his excellent rebound work. • The Jeffs placed Jabe Cooper and Gayle Dunn on the second All-City team, and Ed Ketchie and Ron Hebner on the list of honorable mentions.

DAVIS TOPS SCORERS. George "Bus" Davis collected a total of 238 points to take high scorer honors for the Presidents. Gayle Dunn followed closely with 196 points, while Warren Mills was third with 162 points. Jabe Cooper dropped in 105 points to place fourth.

FRESH-SOPHS, "B" TEAM HAVE WINNING SEASON. Guided by Shelburn Carmack, and led by Ted Maeder, Garrett Atkins and Larry Jenkins, the Baby Jeffs posted a favorable 13-2 record. Midlothian and John Marshall were the only teams able to subdue the Vice-Presidents, while the Fresh-Sophs took the measure of such teams at Beaverdam, Washington-Henry, Hill, Binford, and Benedictine "B." • Another impressive season record of fifteen wins and four losses was posted by Coach Joseph Uram's "B" team. The junior team swamped all competition in the city and central district, with only the Alexandria and Hampton "B" teams claiming victories from them. Dickie Smith, Garner De Voe, David Simms and Billy Gibbs were the outstanding players.

First Row: Larry Jenkins, Tommy Vaughan, Everett Witt, Richard Parsley, Bill McCallum, Ben Bailey, Joe Davila, Alan Stringer, Gus Linardos. Second Row: Coach Shelburn Carmack, Ted Maeder, Alfred Addison, Phil Holladay, Buck Herbert, Jon Roach, Manager Henry Ritchie. Third Row: Manager Charles Ross, Wyatt Beazley, Philip Morris, Edgar Baird, Cutler May, Joe Eanes.

Girls' Softball

The girls' softball team of 1949, led by Captain Mary Ann Henley, broke even last season by winning four games and losing the same number. Among the wins were victories over Hopewell, Midlothian, and two wins over John Marshall. Although a pitcher has not yet been discovered, it is thought that the team this year will be a fair one. A number of freshmen and sophomores are trying out for the positions vacated by graduated players. In addition, Miss Mildred Brame, coach, has several varsity returnees around whom to build her team. Games have been scheduled with Hopewell, John Marshall, Petersburg, and Midlothian. The season's opening game with Petersburg resulted in a 10-5 loss for the femmes. The next contest, with Midlothian played on the Tee Jay field, ended with the First Ladies' on the short end of a 12-10 count. The last inning of this closely-fought game was an exciting one with Tee Jay scoring four runs to pull within two runs of the Midlothian team.

First Row: Alvin Hampton, Walter Witt, Wiley Bragg, Wallace Heflin, Charlie Marchetti, Everett Hobson, "Tick" Stringer, Buddy Layne, Chuck Arnold. Second Row: Jabe Cooper, Bobby Edwards, Bill Henderson, Dick Stephenson, Spafford Timberlake, Bob Parrish, Jimmy Leach. Third Row: Wayne Cameron, Warren Mills, Joe Mains, Edward Ooghe, Henry Warick, Coach Bloxson.

Baseball, 1950

Coach Welton E. "Spud" Bloxson's stickmen started the season with a 3-1 victory over Lane High of Charlottesville, but dropped its second outing to a superior Hopewell team 5-3. Then the Jeffs in their most outstanding game of the season defeated a favored St. Christopher's nine 8-5. After this, partially because of a prolonged absence of ace pitcher Brown Oliver, the Jeffs have not continued their usual run of successes this season. • As this goes to press, the Big Red Team has dropped contests to Petersburg 6-5, Lane 12-6, John Marshall 8-4, Mount Vernon 6-4, and Benedictine 8-2. The Presidents have six games remaining for this season. These games are with Hopewell, St. Christopher's, Petersburg, John Marshall, Mount Vernon, and Benedictine.

INTRAMURAL TOURNAMENT HIGHLIGHTS SEASON

Again this year the girl racketeers are not playing other schools, but are competing in a tournament to determine the best player in the school. A ladder has been formed of the girls competing and at the end of the season the player on top will be given an award.

WASH, PAYNE LEAD JEFFS IN BANNER YEAR

Under the able leadership of Mr. Sam Woods, Sr., the 1950 Tee Jay tennis team again has dominated the scholastic tennis of the state. Gene Wash and Bobby Payne have been outstanding as the Jeffs are enjoying an undefeated season.

First Row: Eddie Phillips, Neal DeWitt, Joel Cohen, Lanny Ross, Bobby Bortner, Malcolm Kalman, Bobby Payne, Captain Gene Wash. Second Row: Bobby Johnson, Emmett Kelly, Buddy Greer, Gene Gee, Hart Grundy, Benel Gellman, Stanley Steinberg.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.
